Customer Reviews

Ok, I just have to say, I love Changeling: the Dreaming anyway, and this book is the first in a hugely-anticipated (by me, anyway) line of Kingdom-books for Concordia. I love the way they present the information, also, by putting a continuing plot throughout the series of sourcebooks (the disappearance of High King David). I'm sure any southern fans of Changeling would get a kick out of it by recognizing some of their landmarks within the book, and it's why I'm looking forward to Kingdom of Grass. Basically, if you play Changeling, and you want a fully-fleshed setting and plot that you can do virtually anything with, buy this book.
