The Pious Woman

Synopsis

â `Alâ “Marâ ™atus Salihahâ ™ â “ The Pious Woman â “ is a short treatise of Naseehat (advice and admonition) presented to Muslim women. It is the perfect wedding gift which will ensure for the bride a life of blessing and happiness if she gives practical expression to its advices which are the advices of the Qurâ ™an and Sunnah. This compilation is not a book of rights and obligations due to a woman. It does not explain, neither sets out the Sharâ ™i rights to which a Muslim wife is entitled. Rather, it is a treatise of advices which takes into account the prevailing unhappiness and misery in which so many marriages are floundering.
