Customer Reviews

The picture image for this book shows "Gruftkonige", which must translate in (guessing) German to Tomb Kings. Luckily, mine was in English. it is a good book. Got it for a good value via , \$20. I can't believe GW charges \$50+ for new books.

Works just like a good book should. Tells me what I want to know and doesn't give me any lip. Anyway book is in great condition, and its all beautifully done. I have no complaints.

Amazing hard back copy of the 8th edition army book.
