Elder Care Catastrophe: Rituals Of Abuse In Nursing Homes And What You Can Do About It (The Sociological Imagination)

Synopsis

Portraying people who have lived and worked in long-term nursing home facilities, *Elder Care Catastrophe* reveals how organizational dynamics and everyday rituals have unintentionally led to resident neglect and abuse. Backed up by research and grounded in sociological theory, this book offers alternative models for lessening the maltreatment of people living in nursing homes. It provides critical information for family members struggling with nursing home issues, nursing home employees, policy-makers, students and researchers concerned with elder care issues.
