# The Hidden Code In Freemasonry: Finding Light Through Esoteric Interpretation Of Masonic Ritual

## **Synopsis**

This is a book that should be read by all Freemasons, and all those interested in Freemasonry. It will provide a deeper understanding of the hidden information that the rituals of Freemasonry are trying to convey to those who seek Truth. There are thousands of books on Freemasonry and most of them cover literal interpretations of Masonic ritual and expand on the moral lessons to be learned from them. This book is different to most, in that it looks beyond the literal veil, and digs into the deeper messages embedded in the rituals, symbols, and ceremonies. The symbols and rituals of Freemasonry have always been mysterious, even to the average Mason. This book exposes the hidden code that underlies each of the Craft rituals and which points to the true meaning of these ceremonies. People join Freemasonry for different reasons: the camaraderie; self-improvement; charitable service - mostly to fill some void in their lives. Many, today, are looking for something deeper, but are not interested in the formal trappings of the various religions. Many of these are disappointed because they don't find what they're looking for in Freemasonry and, as a result, leave the organization. This is unfortunate because embedded in the truly amazing, multi-layered ritual, are messages from the Ancient Mysteries, which point out a clear path, through ancient knowledge, to spiritual consciousness. This knowledge, which constitutes the real "secrets and mysteries of ancient Freemasonry", was regularly taught in the earlier days of the Craft, but seems to have been forgotten over the years. This book is aimed at reviving that knowledge and spreading it to Masons and non-Masons across the world, to reach those that seek Truth and Light, and gain the full benefit of what Freemasonry is all about.

## Customer Reviews

I am a member of a Blue Lodge as well as S.R.(S.J.) and found this book very insightful. While I don't agree with everything written it has still proved to be a fascinating read.

Lund's book delves into the esoteric origins and meanings within Freemasonry.
