California Politics: A Primer (Fourth Edition)

Synopsis

By emphasizing how history, political culture, rules, and institutions influence choices that lie at the heart of governing, this book presses the reader to think about how these forces conspire to shape politics today and how they will determine the state of affairs tomorrow. The thoroughly revised fourth edition includes coverage of the political problems raised by the state's persistent drought, the widening of health care access to low-income children and adults, the increase in the state's minimum wage, controversy over legislation for mandatory vaccination of schoolchildren, and the state's precariously balanced budget.

Book Information

Paperback: 177 pages

Publisher: CQ Press; 4th Revised ed. edition (January 20, 2016)

Customer Reviews

This book was required for my American Government/Political Science Summer 2016 class. It is easy to read and follow and it is very informative.
