# State And Local Government By The People (16th Edition)

## Synopsis

Explores the foundations of state and local politics    Â    State and Local Government by the People is about the institutions and political forces that shape policymaking and policy outcomes. Viewing state and local governments as microcosms of what happens at the federal level, this text compares political systems and traditions across states and identifies trends and similarities that exist between them. The text shows students how government directly affects their lives and inspires them to become involved in their community. Â    Learning Goals    Upon completing this book, readers will be able to:    Understand the development of state and local governments over time    Understand the major challenges facing state and local governments today    Explore how they can become involved in state or local politics    Note: MySearchLab does not come automatically packaged with this text.
