Robert B. Parker's Slow Burn (Spenser)

Synopsis

Boston PI Spenser faces a hot case and a personal crisis in the latest adventure in the iconic New York Timesâ “bestselling series from author Ace Atkins. Â The fire at a boarded-up Catholic church raged hot and fast, lighting up Bostonâ ™s South End and killing three firefighters who were trapped in the inferno. A year later, as the city prepares to honor their sacrifice, there are still no answers about how the deadly fire started. Most at the department believe it was just a simple accident: faulty wiring in a century-old building. But Boston firefighter Jack McGee, who lost his best friend in the blaze, suspects arson. McGee is convinced department investigators arenâ ™t sufficiently connected to the cityâ ™s lowlifes to get a handle on who’s behind the blazeâ ”so he takes the case to Spenser. Spenser quickly learns not only that McGee might be right, but that the fire might be linked to a rash of new arsons, spreading through the city, burning faster and hotter every night. Spenser follows the trail of fires to Bostonâ ™s underworld, bringing him, his trusted ally Hawk, and his apprentice Sixkill toe-to-toe with a dangerous new enemy who wants Spenser dead, and doesnâ ™t play by the cityâ ™s old rules. Spenser has to find the firebug before he kills again â “ and stay alive himself. From the Hardcover edition.

Customer Reviews

SLOW BURN is a pivotal novel in the Spenser canon. Creator Robert B. Parker knew how to walk a very precise fine line between growing the character and keeping him true to himself, a (rare) talent that Ace Atkins, who has earned the reins and spurs to continue the series, has in spades as well. Some of the changes are subtle, and weâ™™ll discuss those in a moment. Others (one comes to mind in particular) impact like a sledgehammer, and I wonâ™™t give them away. Still others are left to play out in a book or two, but the hints, and thunders, portend changes for the series. There is a mystery at the heart of SLOW BURN, the solution to which is revealed by Atkins to the reader fairly early on. Accordingly we get to watch Spenser, with Hawk, his brother in arms, and Sixkill, his apprentice of sorts, play catch-up as they chase an arsonist. Spenser is retained by Jack McGee, an old friend of his who is a firefighter. A fire a year before destroyed an abandoned church and claimed the lives of three firemen. A ceremony to commemorate the anniversary of the tragedy is scheduled, but McGee is convinced that the incident was the result of arson and is happy to tell anyone and everyone what he thinks, and why. Meanwhile, fires in abandoned buildings continue throughout the city of Boston. Spenser does what he does best, going around asking questions and irritating the right people enough that he begins unearthing clues. In the course of events, he also irritates some of the wrong people, including a recently acquired enemy --- Jackie DeMarco, introduced in 2015â™™s KICKBACK --- who has a score to settle with him. Never one to back down, Spenser canâ™™t resist poking this particular lion through the bars.
