Adler For Beginners (Writers And Readers Documentary Comic Book)

Synopsis

A contemporary of Jung and Freud and an important contributor to the science of human behavior, Alfred Adler believed that people are motivated not by sex (as Freud maintained) but by a need to find their place within the family and to feel valued. This guide provides an accessible introduction to Adler's life, concepts, and legacy. Illustrated throughout.

Customer Reviews

Good information, but many typographical errors. Good information but many typographical errors. Good good information but but many typographical errors. (I said what I wanted to say, and it is annoying to be told I have to write more words.)

I found this book to be a very simple adaptation of Adler's counseling theory. It was a brief , general overview of an otherwise complex theory. While reading the book, however, I found it difficult to overlook the obvious errors in spelling and grammer that were prevalent throughout.

THERE IS NO excuse for so many typo and factual errors in a published book...WRITERS AND READERS PRESS has to do a better job!!!
