Customer Reviews

The text itself was perfect for the CLEP I was preparing for. It covered everything I saw in the exam. The condition of the book I received, however, was disappointing. Pages were falling out and the binding was so badly worn that, while reading, it broke in two.

This book was easy to understand. It is clearly written and the examples that the book gives was easy to follow.

It arrived on time and exactly as described

Wow. Exactly as Advertised. Thank You.

book in great shape
