Bloodless (Henri Dunn Book 2)

Synopsis

Henri Dunn would love to avoid all vampire bullshit for the foreseeable future, but the universe has other plans. When an exsanguinated corpse is left in the dumpster behind her workplace, Henri knows it's a some kind of twisted message meant for her. It's just not one she can decipher. In addition to that terrifying puzzle, Henri's new ex-vampire roommate is not adapting well to human life and a Cure-obsessed vampire is stalking her. And of course, her enigmatic vampire sire, Sean, is being his usual elusive and infuriating self. When a second body that's been drained of blood is left in front of Henri's apartment building, it becomes clear that a vicious serial killer is fixated on her. Using her ability to read memories in blood, Henri must figure out who's behind these terrible killings and stop them before she becomes the next victim. Bloodless is the second installment of The Henri Dunn Urban Fantasy Series, which features a snarky protagonist, intriguing mysteries, a captivating cast of characters, and elements of humor. Book 1, The Immortality Cure, is also available.

Customer Reviews

Just like the first book in this series, this one was a lot of fun. It was a bit darker than the first (for obvious reasons once you begin reading it), but not in a bad way. In fact, I think I might like Bloodless better than the Immortality Cure, partially because of how the plot plays out in Bloodless, but also because I've had more time to get to know Henri, who is an awesome character. (I do still want to learn more about her past.) Very excited that there's a third book in the works for this series!

A great second installment in the Henri Dunn series! I liked this book even better than the first book. Bloodless corpses are being left in Henri's path, but why? The characters have great depth, and the story moves along at a good pace making for a fun read. If you like vampires and urban fantasy, you'll love this story about Henri, a former vampire trapped between two worlds. A fantastic series, I can't wait for the third installment!
