Customer Reviews

Would not be as much fun as you think. I loved this book and Morgan and her family members.. I would not change a thing or character in it. I would love to tell you more but you have to read it for yourself to see what a wonderful story the author has worked so hard on to entertain us. I can't wait for the next book.

I love your stories. They take me out of and place, entertain and delight the magic in me. Your characters aren't super hero's, just regular people trying to do their best. Even the villain, Dominic, is not glorified-- which should be the case and way for villains in real life.

This book was as great as book zero of the series. I was hooked from start and it continued with the same characters and a few new ones. It was hard to put down. I enjoyed it very much and can't wait to read more from this author. If you enjoy mysteries you will like this series.

I liked the main character enough to follow her through some unbelievable and some more mundane events. The story moved quickly, but it did hold some conflicts that interested me. I am sure there will be many more stories of this town.

I chose the five star rating for this book because I could not put it down until I finished it. And it's been a long time since that's happened. I think this book would be good for teenagers young adults.

A highly enjoyable story. I missed the first book, but it was easy to catch up. I loved the characters. The story flowed very easily and really kept your attention. I would recommend this to anyone who enjoyed a good story, with great characters.

I had to read this because book 1 did not end. I found the whole afterlife otherworldly to be unbelievable and stupid. This is NOT a cozy mystery, and I will not be reading anything else by this author.

Morgan manages to make it back to Yew Hollow after meeting her Dad and a Great Grandmother. On the other side. She faces many challenges. One of them being her Detective partner. Along with many others that he created for her. Good read. Now I have to wait for Alexandria Clarke to write and release her next book in this series.
