Most Likely To Die (From The Tales Of Dan Coast Book 6)

Synopsis

How does someone with no enemies end up murdered? That's for Dan Coast and his sidekick Red Baxter to find out. Join Dan and Red, along with Skip Stoner and Dan's childhood hero, former astronaut, Kip Larson as they piece together the clues that may free an innocent man. In this action packed, sixth installment of The Tales of Dan Coast Series, Dan digs into a wrongly accused man's past and finds out he may not be so innocent.

Customer Reviews

Dan Coast returns in another adventure, good story and Dan is in rate form, even for Dan. The usual cast is here trying, mostly in vain, to keep Dan on track. Dan's proposal in Wendy's is a true classic. It has been added to my list to hopefully get to use one day. If you haven't read the Dan Coast stories you should. Sort of Travis Mcgee meets Hunter S Thompson. Shakespeare it's not, but then Shakespeare was boring. Dan Coast stories are never boring. (PS Disclaimer: I paid for my own book so this is legit. Just sayin')

Book 6 carries on the adventures of Dan Coast, an amateur Detective out to solve another crime. In

all his attempts he continues to involve a whole cast of characters who in trying to help, can't seem to make Dan's work any easier. The book is a fun read as the wisecracking Coast can't seem to stay out of trouble. This time he faces several Hoods out to stop any advances he makes in solving this Whodunnit. Great fun read with many twists and turns during his chase. Look forward to his next adventure.

Very funny character but, I'd like to see some 'development' to main character along the way. Dan is a highly functioning alcoholic. Having read all the books in this series, I'm aware of the source and depth of the pain that needs numbing. And maybe that very sharp sense of humor would take a hit if he 'sobered up'. I don't know...but I do know, it's fiction, it's fun and I'll continue to read tales of Dan and Red and the very entertaining characters that come and go during his investigations.

While Dan very rarely contemplates actually getting a Private Investigator's license, he still manages to right wrongs and bring the guilty to justice. This is another Dan Coast book that I just couldn't put down until I got to a reader's version of the worst two words in the English vocabulary: "The End". For the author, this means that I will be anxiously awaiting another opportunity to connect with Dan, Maxine, Red, Skip, and Kip. By the way, Rodney Riesel, how soon will that be????
