The Power Of Mercury: Understanding Mercury Retrograde And Unlocking The Astrological Secrets Of Communication

Synopsis

A lively guide to surviving and thriving during Mercury Retrograde and to unlocking the astrological secrets of Mercury, the planet that rules communication. Mercury Retrograde: We've all heard about its effects. E-mails disappear into black holes. Flights are delayed and trains run late. From communication mishaps to travel breakdowns, Mercury Retrograde wreaks utter havoc on our lives. So how do we survive it, sanity and relationships intact? In *The Power of Mercury*, acclaimed astrologer Leslie McGuirk casts new light on Mercury Retrograde treating it as an opportunity to slow down in a tech-crazed world, from approaching agreements with caution to communicating with intention. With an unparalleled sense of humor and uncommon helping of straight talk, McGuirk further dispels the mysteries of Mercury Retrograde by teaching us how to identify our personal Mercury signs and those of the people with whom we interact every day, from bosses to romantic partners and what that means for how we communicate, and what to do about it. In our ever increasingly tech-driven, fast-paced world, where we all email, text, chat, and tweet hundreds of times a day, and zip around the world at a moment's notice, the stakes for any glitches in communication are higher than ever. Finally, with *The Power of Mercury*, we have the fresh, direct guide we need to navigating it all without stress and with a much needed dose of optimism, common sense, and style.

Customer Reviews

Fascinating! Easy to read and thought provoking. Makes a lot of sense. This book provides insights

on how we can better understand one another and make the world a kinder, better place to live. This book is wonderful guide for all relationships: at home, at work and in the world !

Like many of my friends, I have always been intrigued by astrology. Not the horoscopes in the papers, which are just entertainment, but truly looking at someone's key planets to understand how they are "wired". This book talks about how people communicate with others. Like the Myers-Briggs test, this is critical to understanding why we click with some people and simply don't understand others. I love the easy-to-follow descriptions in this book of how people with different Mercury placements interact. After reading it through a few times, I'm sure I will refer back to that section often. I highly recommend this book to anyone interested in having stronger relationships with those you work with and those you love.

Fantastic book! Demystifies and clarifies the true meaning of Mercury in retrograde and find out if you were born during that time. Fascinating how the Mercury sign helps shed light on communication in relationships of any kind. Highly recommend!

Astrology has always been so mystifying to me and the book really helped me to connect with my horoscope in a way I would never have thought possible. It's really served as a guidebook for understanding all my relationships. And I certainly have never understood what or why my Mercury sign was so important, especially relative to my sun sign, in determine compatibility. I've already read it twice and shared it with my friends. Thanks for this fabulous insight!
