Customer Reviews

Have just started using this book and already I have learned a great deal about the High Holy Days. And the world are encouraging me to think more deeply than I had I imagined beforehand.

Ended up giving this away, but the parts I read were super interesting. Very appropriate for approaching the High Holidays.

This book offers a great opportunity to begin the forty days of Elul as Jews prepare for the High Holy Days.

Very inspirational for the High Holy Days and other days.
