Introduction To Policing

Synopsis

Focusing on the thought-provoking, contemporary issues that underscore the challenging world of policing, *Introduction to Policing, Second Edition* (by Steven M. Cox, William P. McCamey, and Gene L. Scaramella) balances theory, research, and practice to give students a comprehensive overview of both the foundations of policing and the expanded role of today's police officers. The engaging, easy-to-understand writing style and stories from the field, coupled with unique coverage of the issues of policing in multicultural communities and the impact of globalization on policing, make this book a must-have for policing courses.

Customer Reviews

Super cheap and came on time. The binding was off the book but a little glue! No harm. Can't complain as a poor college student.

It was in poor condition and missing information

Excellent book, it explains a lot about policing

Came on time..cover was coming off.

Great informative book!
