Women's Lives: A Psychological Exploration

Synopsis

Women's Lives: A Psychological Exploration, 3rd Edition draws on a wealth of the literature to present a rich range of experiences and issues of relevance to girls and women. This text offers the unique combination of a chronological approach to gender that is embedded within topical chapters. Cutting-edge and comprehensive, each chapter integrates current material on women differing in age, ethnicity, social class, nationality, sexual orientation and ableness. The third edition reflects substantial changes in the field while maintaining its empirical focus through engaging writing, student activities, and critical thinking exercises. With over 2,100 new references emphasizing the latest research and theories, the authors continue to pique interests in psychology of women.

Customer Reviews

the book came in desired time and in the condition as described. i was extremely happy that it came on time and in great condition. I still have the book even though my class has been over for months now. the pictures are in black and white, not color. just so that is clear.

this book is very helpful but again, for a rental I would expect previous users to be a little considerate and careful especially when the books are soft covers.

You could read all of the book. However it was really old and now it is about to break, I'm sure it was just the one I got, and more than likely no other ones

Excellent book!!! Kind of expensive but well worth the price. Easy read and tons of multicultural perspectives.

I loved this book and I would read it for fun. I used it for my college course and it's very informational.

It was new and I had no problem with that. Thank you very much
