Miss Frost Solves A Cold Case: A Nocturne Falls Mystery (Jayne Frost Book 1)

Synopsis

Welcome to Nocturne Falls, the town that celebrates Halloween 365 days a year. Jayne Frost is a lot of things. Winter elf, Jack Frost's daughter, Santa Claus's niece, heir to the Winter Throne and now...private investigator. Sort of. Needing someone he can trust, her father sends her undercover to Nocturne Falls to find out why employees at the Santa's Workshop toy store are going missing. Doing that requires getting to know the town, which leads to interesting encounters with a sexy vampire, an old flame, and an elevator that's strictly off-limits. The more Jayne finds out, the more questions she has, but the answers lead her deeper into danger. Will her magic save her? Or will she come up cold?

Customer Reviews

This book was given to me by the Author In Exchange For an Honest Review. This book was beautiful, inspiring and creative! Kristen never fails to amaze and wow when it comes to her incredible generous, she has talent in spades and this series shows how she can whip it out in handfuls of ice and snow!..lol Jayne Frost daughter of the renown Jack Frost is coming to Nocturne

Falls to investigate a string of disappearing winter elves. Jayne is a wonderful character, I found her to be full of life and heartfelt emotion. She really doesn't want to be a princess, she just wants to be herself. She finds that people treat her differently because of her status and she doesn't like it. She wants to be like everyone else. Jayne's investigation leads her down some dark and dangerous paths, her curiosity also gets her into trouble a lot. She has magic on her side though and she gets her way out of it more than she doesn't. She is very resourceful and brave and defiantly someone I would want on my side in a fight. Juniper and Buttercup were very interesting characters. As Jayne's friends they were great and I loved them both and as individuals they were both very different. Juniper you couldn't help but love she was quirky, bubbly, and fun. She was always nice and always happy and would forgive anyone anything. Buttercup on the other hand is a little more of the higher maintenance type of friend, she is opinionated, sharp and sassy. I really liked her because of these things as well because it took more to earn her friendship and she wouldn't hold back when she had something to say. Kristen Painter is an amazing author! I have read and loved her books forever and every time I read one I am still blown away by her talent.
